Dear Ms. Sonia:

I read about job openings at PT Shenglong Jaya Cemerlang on your website. I would like to ask for more information about the available positions and the application process I need to follow.

As an Informatics Engineering student with an interest in video editing and content creation, I am eager to apply for the Editing & Publishing position, as my technical and creative skills align with the requirements of this role. My experience in various organizational roles has helped me develop strong communication, management, and event planning abilities, which I can apply to contribute to the success of the team and projects.

I am confident that my background and skills will be valuable to your team. I look forward to discussing how my qualifications match your needs.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further

Sincerely yours,

Elisabeth Serlina Elensia Bupu
